

SCORE CARD COMPLETION GUIDANCE

SINGLES COMPETITIONS - including Medal, Stableford and Singles Par/Bogey

The Seniors Committee have reviewed the situation pertaining to score card completion, exchange and ratification for singles competitions and recognise that –

1. There is **no obligation** on players to exchange cards with one of their playing group.
2. There is normally **no obligation** on a player to sign their card [see exception outlined in Note below].
3. There is **no obligation** on players to counter sign another players card from within their playing group.
4. There is **an obligation** for a players score to be recorded correctly on their score card
5. There is **an obligation** for a players score to be verified independently by someone from within the playing group, represented below by the term Marker/Verifier.
6. There is **an obligation** on the player to enter their score correctly into the PSI or HDID.

In providing the above clarification, it is recognised that some players will continue the practise of card exchange and this is perfectly acceptable.

Before starting the round: - Player A should:

1. ensure that the competition details have been entered correctly on his score card i.e., the competition title **(A)**, date **(B)**, tee-off time **(C)**, course used **(D)**, his name* **(E)** and the Markers/Verifiers name* **(F)** [*names to consist of both first (or known) name and surname]
2. record his Handicap Index**(G)**, Course Handicap **(H)** and Playing Handicap **(I)** on the card
3. record the Handicap Index **(J)**, Course Handicap **(K)** and Playing Handicap **(L)** of their Marker/Verifier on the card and
4. where both parties agree, exchange his card with the Marker/Verifier. In the absence of an exchange of cards, both players should capture and verify gross scores for both players on their own score card.

During the round: - Player A and the Marker/Verifier should observe and verify the strokes taken by both on each hole played. Player A's strokes to be recorded in column A, with the Marker's/Verifiers strokes recorded in column D.

As an interim check, it may be prudent to verify both gross scores for the front nine on the 10th tee. [as long as this does not impact the speed of play]

After completing the round:

1. Player A and the Marker/Verifier should reconcile and verify the gross scores for the full 18 holes for each.
2. Player A is responsible for submitting his verified **gross scores** into the PSI [or HDID] by the required deadline.
3. Unless otherwise instructed, his score card should be retained.

NOTE:

- a) Once gross scores are entered onto the PSI or HDID, they cannot be amended
- b) The nett score may be recorded in the relevant box, but this is not compulsory
- c) Failure to submit a gross score by the required deadline will result in disqualification from the competition.
- d) For **Silverware Competitions** the Committee reserves the right to randomly scrutinise submitted gross scores against signed score cards. You will be advised in advance of a nominated Silverware Competition, if the Committee requires you to sign and post your scorecard in the appropriate box at reception.
- e) The following examples reflect signed cards, but as indicated above, this is not obligatory.

Singles Medal: handicap allowance = 95% of the Course Handicap

After completing the round: -

1. The designated Team 1 player and the designated Team 2 Marker/Verifier should reconcile and verify the gross scores for the full 18 holes for each.
2. The designated Team 1 player should sign the card on behalf of his team (Players Signature) to show that he agrees that the **gross scores** marked for Team 1 are correct and
3. The designated Team 1 player is responsible for submitting their own **gross scores** into the PSI by the required deadline.

NOTE:

- a) Once submitted, scores cannot then be amended
- b) Failure to submit a score by the required deadline will result in the Team's disqualification from the competition.
- c) The following examples reflect signed cards, but as indicated above, the minimum requirement is for a signatory by a designated Team 1 member on behalf of the team.

Four-Ball Better Ball (4BBB) Stableford: handicap allowance = 85% of the Course Handicap

In the following example, Fred Green, acting as Marker/Verifier, has recorded the better score for Team 1 [John Smith and Jack Jones] in columns A and B respectively and the better score for Team 2 [Joe Bloggs and Fred Green] in Columns C and D.

Note: both team scores may be recorded, but this is **not** a requirement, as only the better ball counts.

Greensomes: Team Playing Handicap is 60% of the lower Course Handicap for the appropriate tee plus 40% of the higher Course Handicap for the appropriate tee.

In the following example, Fred Green, acting as Marker/Verifier, has recorded the **gross score** for Team 1 [John Smith and Jack Jones] in column A and the gross score for Team 2 [Joe Bloggs and Fred Green] in Column D.

ClubV1 will calculate the nett team score, based on the **gross scores** submitted.

Pairs Bogey/Par: playing allowance = 90% of the Course Handicap

Note: the convention used for this format is to record a nett Win (+), nett Half (0) or nett Loss (-) for the better ball of the team.

In the following example, Fred Green has recorded the better scores for Team 1 [John Smith and Jack Jones] in columns A and B respectively and the better score for Team 2 [Joe Bloggs and Fred Green] in columns C and D. Team 1's best nett score is recorded in the 'Nett score' column and the win/half/loss, in the Points column. Team 2's results are recorded on the far left of the card.

For this format completed cards are to be deposited in the seniors box at reception.

Other Team formats:

Before starting the round: - a designated member of the Team, acting as Marker/Verifier, should:

1. ensure that the competition details have been entered correctly on the team score card i.e., the competition title (**A**), date (**B**), tee-off time (**C**), course used (**D**), and team player's names* (**E**) [*names to consist of both first name and surname] and
2. record the Handicap Index(**F**), Course Handicap (**G**) and Playing Handicap (**H**) of the players on the card

During the round: -

3. the Marker/Verifier should observe and verify the strokes taken by team players on each hole and record the best two stableford scores for the team per hole.
4. **Note:** it is **not** necessary to record scores for all team members, simply the two scores that generate the most stableford points and the total points per hole.

After completing the round: -

1. the designated Marker/Verifier should sign the card (Markers Signature) [and print their name (Marker Print Name)] to confirm on behalf of the Team that the scores are marked correctly
2. the card should then be left in the seniors box at reception.

Note:

1. Once submitted, scores cannot then be amended
2. Failure to submit a score by the required deadline will result in the Team's disqualification from the competition.
3. The following examples reflect signed cards, but as indicated above, the minimum requirement is for one signatory by a designated Team member on behalf of the team.

ALLIANCE: playing allowance – 95% of the Course Handicap. Best two stableford scores per hole to count.

In the following example, Fred Green, acting as Marker/Verifier, has recorded the best two scores for the team in columns A, B, C and D respectively and John Smith has countersigned the card.
