ANNOUNCING ACES HIGH!

STUDLEY SENIORS ANNUAL CAPTAINS CHARITY DAY

Thursday, July 18, 2024

08:30 Shotgun Start

Please join the Seniors Captain Tim Mustill for a fun day of golf including excellent prizes and an opportunity to contribute to a very worthy cause... a cause that is close to home in every sense of the word for our section at SWGC.

This year we will have a team game where players will be drawn into 4 teams – each named after a suit of playing cards. In addition to the team game (all team members stableford scores added together), we will have prizes for individual stableford scores and the best 4 ball eclectic.

There will be a raffle and a new/nearly new golf gear auction... plus some fun on the course as well as spot-prizes for card game based 4-ball scores. Can your group manage a prial of threes or a running flush?

Let's try to get a great turnout and raise plenty of money in support of this worthy charity.

All proceeds in aid of Oxford Hospitals Charity.
