

**Review of Badgemore awayday 6 August 2024**

31 Studley Wood Golf Club seniors arrived at Badgemore Park Golf Course in good weather. After the welcome of a bacon roll and coffee we set out on the course. In the usual tradition, we played an individual stableford and teams comprising each fourball. The course, in good condition, is characterised by a number of dog-leg holes. On one of these, the 14<sup>th</sup>, we tried out a nearest the pin in two. Potentially a drive to the point of the dog-leg and then a fairly short shot into the green. A somewhat different test to the normal Nearest the Pin competition. After the round we were served a very palatable Chicken Supreme before heading off back home.

**Winners**

Peter Parrey, who had only signed up for the awayday just a couple of days before we went was rewarded with the win, proving that if a place is available it is always worth signing on! Other prize-winners shared the prize pot as follows:
