

Studley Wood Seniors

Summer Eclectic competition

This year we will be running a summer eclectic competition during the four months (June – September).

An eclectic does not entail any additional competitions or rounds to be set up. It is just a case of collecting the scores from singles competitions, for those players who have entered, across the weeks when the competition is running. At the end of the period, we will calculate the best net stroke-play score for each player on each hole and the player with lowest total wins. The committee will keep track of all individual rounds of entrants over the qualifying time-period. This will include all mid-week medals and stablefords which are included in the roll-ups (organised by the Seniors Committee) in the Tues and Thurs Seniors slots (including club competitions). Scores from knockouts, team, pairs and match play competitions are excluded. Club V1 will be used to do the scoring.

Rules as follows:

- You must register and pay by May 29. Later entries may be allowed at the discretion of the organiser.
- Each golfer plays as many singles rounds as they wish in the time.
- First counting round will be in the week commencing Monday June 3 and the final round will be the last round on or before 30 September.
- Only singles games played in the Tuesday and Thursday Seniors slots will count.
- At the conclusion of each qualifying round, the scores on each hole will be compared with previous rounds and the lowest score recorded.
- The lowest net score made on each hole is recorded for the eclectic, producing one 18-hole score at the end of the qualifying window.
- A table will be published periodically indicating the current position of each player in the eclectic.
- At the end we will produce a ranking table and prizes will be awarded to the winners of each division. Prizes for other places will be determined depending on the number of participants.
- Entry fee = £5 (to paid into the Seniors Account).
