

Captains Charity Day- 17 July 2025

A massive thanks to all who participated in our annual Senior Captain's Charity day.

The two most important results are that we all had a fun day and we raised over £3,360 for Oxford Hospitals Charity.

Congratulations to Bob Clarke, Martin Wilkinson and Mike Ryan for winning the competition. The full result is given below, including NTPs and Twos.

Once again thanks very much to all of you who helped organise the day, participated and contributed.

Happy golfing
