

Review of Kings Norton awayday 10 June 2025

An accident on the M40 caused many of us to be late arriving. However, most of us arrived in time for the traditional bacon roll and coffee and all 23 of us in time for a slightly delayed tee-off.

As we got going the weather was fine and the golf course (of a similar standard to Studley) in excellent condition. We played the normal singles stableford competition and an alliance for teams comprising members from similar home destinations. When we came in we were served sandwiches and chips. We headed home with some trepidation that the roads were re-opened and clear, but all was well.

Winners

Barry Cumberland won the singles competition. Long and Shabby (drawn from those living in the Long Crendon and Shabbington area) consisting of Bob Jones, Barry Cumberland, Richard Illet and Stephen Capaldi, won the team competition with a 87 points.

Finally it was worth the effort of turning up for Ken Heathcote (nearest the pin of 7th) and David Drew (nearest the pin on the 14th).

And finally...

It was not possible to award the trophy for the spring tour (Breadsall Priory and Little Aston Golf Courses). So Richard Hayward as duly awarded his trophy here.

Congratulations to all the winners!

Chris Perks
