Spring Awayday

9 June 2026

West Midlands Golf Club

*The West Midlands Golf Club in Solihull, is a Par 74 course featuring five Par 5's and Great Britains longest hole, "The Devil". Hole 8 is a Par 6, 666 yards (hence the name!) and 725 yards from the back tees. West Mids also has an island green, the final hole is a par 3 of 140 yards, totally surrounded by water, and is reminiscent of the 17th at Sawgrass, one of the most famous holes in golf!*

*All the greens and tees are built to USGA specification. This means they have a sand base with undersoil drainage system and they can be played on all year round. In heavy rain they drain very fast, and the course also has good drainage on the fairways meaning it stays open longer than most courses in the winter*
