

Studley Wood Golf Club

Summer Eclectic Competition 2026

Format

The summer eclectic competition runs during the three months July, August and September.

The eclectic does not entail any additional competitions or rounds to be set up. It is just a case of collecting the scores, of those that have entered, from the singles competitions across the weeks when the competition is running. At the end of the period, we will calculate the best net stroke-play score for each player on each hole and the player with the lowest total wins. The committee will keep track of all individual rounds of entrants over the qualifying time-period. This will include all mid-week medals and Stablefords which are included in the Seniors roll-up times in the Tuesday and Thursday Seniors slots including club competitions (Club Seniors Championship and midweek Medal / Stableford). Scores from knockouts, team, pairs and match play competitions are excluded. Golf Genius will be used to do the scoring.

Eligibility

Open to all men with Full, Summer (during BST) or 5-day membership who have a valid Handicap Index and are aged 55 years or older on the start date of competition.

You must register and pay the entry fee by Friday 3rd July.

Competition Rules

Tees to be used will be advised in competition notices via the Golf Genius Touch Screen or BRS Scoring App.

Playing Handicap: 95% of Course Handicap unless otherwise advised.

The Competition will be played across 2 Divisions: Division 1 = up to 18.4 WHI and Division 2 = 18.5+. Note that due to handicaps varying across the three-month period a very small number of entrants could finish in a different division to when they started. It will be the final WHI on 29th September that will determine where they will be assessed for Competition result.

Each golfer plays as many of the eligible singles rounds as they wish in the time.

First counting round will be 7th July Club Seniors Championship and the final round will be on or before 29th September.

Only singles games played in the Tuesday and Thursday Seniors slots will count.

At the conclusion of each qualifying round, the scores on each hole will be compared with your previous round(s) and the lower score recorded and taken forward, producing one 18-hole score at the end of the qualifying window.

A table will be published on the website and seniors notice board periodically indicating the current position of each player in the eclectic.

Entry Fees and Prizes

£5 entry fee paid to the Seniors Account. Sort Code 30-98-56; Account 01469416.

At the end of the Eclectic Competition we will produce a ranking table and prizes will be awarded to the winner and runners up of each division. In the case of ties, participants will equally share the prize money allocated to the rankings (eg if there is a tie for ranks 1, 2 and 3, the total prize money allocated to these rankings will be shared equally between these three players).

The value of the prizes for each ranking place will be determined depending on the number of participants.

An overall winner for each division will be selected by countback of the final cumulative score.
